Revolutionary Performance and Flexibility ASUS L3 All-In-One Notebook PC

The ASUS L3D introduces a new era in notebook computing by bringing AMD Athlon XP performance to the road. Its compact all-in-one design delivers a notebook that's robust in features, incredible in performance, and perfect for any situation. Leading-edge features such as 15"/14.1" LCD display, 2000+ mobile Athlon XP processor, DDR memory support, and up to 64MB dedicated SiS 740 integrated graphics, make the L3D one of the most powerful notebooks on the market.

TOP
